

REMARKS

In the Office Action, claims 1, 10, 19, and 28 are objected to because of informalities, and claims 19-36 are rejected under 35 U.S.C. §112 as failing to comply with the written description requirement. Claims 1-18 are allowed.

In response, claims 1, 10, 19 and 28 are amended to correct the informalities based on the suggestions of the examiner in the office action. To overcome the rejection under 35 U.S.C. §112, the limitation “a composer for composing” is amended as --an adder for combining-- in both claims 19 and 28 so as to be consistent with the description in lines 2-4 of page 10 in the specification of the instant invention. Claims 19-36 are now in compliance with the requirement set forth in 35 U.S.C. §112 and should be allowable.

The above amendment has been made without prejudice. Claims 1-36 are now in full condition for allowance. Drawing FIG. 5 is amended to include the reference number --300-- which is described in paragraph [0028] of the specification. The replacement sheet of FIG. 5 is submitted for approval. Applicants respectfully request that a timely Notice of Allowance be issued for this application.

Respectfully submitted,
